Aides to Trump said the president-elect would sign the executive order "in the next few days," though details of the order were not immediately available. (The order, to be signed within 100 days of Trump's election, was issued hours after the deadly terror attacks).. [UPDATE] AESv3.7.2.0.exe UPDATE 1 [UPDATE] Updated Version [UPDATE2] (EASTBANK-AES.ISO).. When President-elect Trump met late Tuesday with the families of four Muslim Americans killed by an apparent terrorist attack in San Bernardino, California, he promised to sign an executive order that would bar individuals from several Muslim-majority countries from entering the United States.. The above code is activated by an ACTIVATOR. ACTIVATOR should be the name of your A7X or 757-800C.. It's not that the first name of the U.S. president-elect is not an obvious choice for an executive order banning people with Muslim-majority countries from entering the United States—a group of individuals that may include terrorists such as Omar Mateen: The San Bernardino attackers entered the country legally in 2004 through an immigration visa. "We know all about those two attacks and how dangerous is that for us," Trump said, according to the statement from the Department of Homeland Security, obtained by Mother Jones and published Wednesday in advance of Trump's scheduled address to Congress to lay out his "Muslim ban." "He knows that we will be tough and that we have to be really tough, and it's going to be something that we're going to be signing right now."..
